

(b) Performance. TBN shall have performed and complied with all agreements and conditions contained herein to be performed or complied with by it prior to or at the Option Closing Date.

(c) FCC Consent. The FCC shall have consented to the assignment of the Station as contemplated by Paragraph 11, supra, which consent shall constitute Final Approval.

All of the conditions to the obligations of BBI are for their exclusive benefit and any or all of them may be waived only by BBI. In the event that any of the conditions to the obligations of BBI are not fulfilled by the Option Closing Date and are not waived by BBI, BBI may terminate all of its obligations to assign the Station by giving written notice to TBN. TBN shall use its best efforts to cause to be fulfilled and satisfied all of the conditions to its obligations to BBI hereunder. In the event BBI terminates its obligation to assign the Station held by BBI by reason of the nonfulfillment of any of the conditions to TBN's obligations, such termination shall not waive or otherwise affect the rights they might have against TBN, specifically including, but not limited to, its rights by reason of a breach of this covenant regarding the fulfillment of the conditions to the obligations of BBI hereunder.

16. Payment of Option Price. The balance of the Option Price shall be paid by TBN in the form of cashier's check, certified check or

confirmed wire transfer made payable to BBI and tendered at the Closing.

17. Survival of Representations and Warranties. All agreements, representations, and warranties contained in this Agreement shall survive the execution and delivery of this Agreement, any investigation at any time by or on behalf of any party, the sale of the station contemplated or any part thereof and payment therefor.

18. BBI Option to Repurchase. During the term of this Agreement, if TBN has not exercised its Option Right pursuant to paragraph 9, supra, BBI shall repurchase TBN's Option. The price to be paid by BBI for such a repurchase shall be depreciation^{ed} cost of equipment (hereinafter "Repurchase Price"). BBI shall pay said Repurchase Price for TBN's Option within ten days after receiving notice of TBN's intentions not to exercise its Option. The Repurchase Price payment shall be made by BBI in the form of a cashier's check or certified check or confirmed wire transfer made payable to TBN at an address within the United States of America which may be designated by TBN.

19. Force Majeure. TBN shall not be responsive to BBI for the failure to provide programming pursuant to Paragraph 3, supra, by reason of any act of God, labor dispute, vandalism, non-delivery by program suppliers or others, breakdown of facilities, legal enactment, governmental order or regulation, or any cause beyond the reasonable control of TBN.

20. Indemnification.

(a) TBN hereby agrees to indemnify BBI from any and all loss or damages caused by any claims, suits, debts, accounts or other liability arising from any matters concerning the management or operation of the Station, or the production or distribution of programming under the control of TBN pursuant to paragraph 6, supra. TBN shall maintain suitable insurance, including casualty and liability insurance, covering all equipment used and useful in Station operation.

(b) BBI hereby agrees to indemnify TBN for any and all loss or damages occasioned by any claims, suits, debts, accounts or other liability arising from any matters concerning the ownership of the Station or the production or broadcast of programming under the control of BBI.

(c) The party seeking indemnification ("indemnatee") shall notify the party from whom indemnification is sought ("indemnitor") of the nature of the loss sustained by the indemnatee and the monetary amount loss. Indemnitor may pay the indemnatee in settlement of the claim, or, at indemnitor's option, indemnitor may employ counsel to defend the claim in indemnatee's name and pay any claim resulting from the litigation. In the event indemnitor fails within 20 days of receipt of a request for indemnification to settle the claim or employ counsel to defend the claim, indemnatee may pay the claim or retain counsel of indemnatee's choice

to defend the claim in indemnitees name, in which case, indemnitor shall be required to reimburse indemnitee for any expenditures made in settlement and/or in employing counsel.

21. Specific Performance. The parties hereto recognize the uniqueness of the Station and its assets, authorizations and facilities, and for that reason agree that TBN shall have the right to specific performance and enforcement of the terms of this Agreement and the transactions herein contemplated upon default by BBI.

22. Assignment. TBN may assign without limitation all its rights, duties and obligations under this Agreement.

23. Notice. INSTRUCTIONS

Applicants seeking authority to construct a new low power television broadcast station, applicants seeking authority to obtain assignment of the construction permit or license of such a station, and applicants seeking authority to acquire control of an entity holding such construction permit or license are required to afford equal employment opportunity to all qualified persons and to refrain from discriminating in employment and related benefits on the basis of race, color, religion, national origin or sex. See Section 73.2000 of the Commission's Rules. Pursuant to these requirements, an applicant who proposes to employ five or more fulltime station employees must establish a program designed to assure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives and Hispanics.) This is submitted to the Commission as the Model EEO Program. If minority group representation in the available labor force is less than five percent (in the aggregate), a program for minority group members is not required. In such cases, a statement so indicating must be set forth in the EEO model program. However, a program must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant proposes to employ less than five fulltime employees, no EEO program for women or minorities need be filed.

Guidelines for a Model EEO Program and a Model EEO Program are attached.

NOTE: Check appropriate box, sign the certification below and return to FCC:

- ☒ Station will employ less than 5 fulltime employees; therefore no written program is being submitted.
- ☐ Station will employ 5 or more fulltime employees. Our 5 point program is attached.

CERTIFICATION

I certify that the statements made herein are true, complete, and correct to the best of my knowledge and belief, and are made in good faith.

RE: Trinity Christian Center of Santa Ana, Inc., d/b/a Trinity
Broadcasting Network, Minor Modification of Facility K57CL,
Porterville, California

Dear Mr. Feaster:

Filed herewith, in triplicate, on behalf of d/b/a Trinity Broadcasting Network (TBN) is a minor change application concerning the referenced television translator/low power television facility. This application involves a channel change from channel 57 to channel 15, and is necessitated by the recently granted authorization for channel 61 in Porterville, California (BPCT-8703B1K9). This application is therefore being submitted in accordance with the standards enunciated by the Commission on February 27, 1987 in its Report and Order in MM Docket No. 86-286, FCC 87-44, 52 Fed. Reg. 7420, 62 R.R.2d 423 (1987).

This channel modification will not result in any interference to any existing full power, low power or television translator licensee, permittee or applicant. It must be noted, however, that TBN has an agreement with Mr. Steve Urbani, of Urbani & Blacquiere, the licensee of K15BD, San Louis Obispo, California that he will be filing a plus offset designation for K15BD. Such a filing will either be as a minor change, or as part of a major change which will be filed during the upcoming window. The engineering TBN is submitting is based on a plus offset for K15BD.

Finally, since the channel change herein requested is defined as a "minor change" in accordance with the Report and Order in MM Docket No. 86-286, no fee is required.
